Objective:

A motivated and detail-oriented engineering student with a strong interest in web development and data analytics. Skilled in HTML, CSS, JavaScript, React, MongoDB, SQL, and Power BI, with hands-on experience in academic and personal projects. A quick learner, team player, and problem-solver, eager to apply technical skills and contribute effectively to organizational growth.

Education:

B.Tech - Information Technology (2023-2027)

Kumaraguru College of Technology | CGPA: 8.6

Higher Secondary Education (Class XII) (2022-2023)

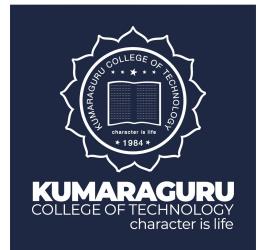

Keartiman Matriculation Higher Secondary School | Percentage: 94.5

Soft Skills:

- Teamwork and collaboration
- Time management
- Quick learner
- Leadership

Technical Skills:

- Programming Languages :** Java, Python, C
- Web Technologies :** HTML, CSS, JavaScript, React.js
- Databases :** MongoDB, SQL
- Data Analytics Tools :** Power BI
- Software Tools :** Git, GitHub, VS Code

Projects:

Fitness Routine & Meal Planner :

Developed a full-stack fitness and meal planner using Angular, Node.js (TypeScript), and MySQL. Implemented progress tracking, calorie monitoring, and role-based access control.

Job Portal Web Application :

Built a full-stack job portal with role-based authentication using React and MongoDB. Implemented job posting, search, and filtering features with a responsive user interface.

SkillShare – Peer Learning Platform :

Built a peer learning platform for sharing skills and connecting learners and mentors. Implemented user authentication, skill listings, and responsive interface using React, MySQL, Node.js.

Certifications:

- Node.js & MongoDB – Coursera
- AWS Academy Graduate – Cloud Foundations
- Cyber Security Tools and Cyber Attacks – Coursera
- Digital Transformation – Coursera

Internships:

Data Analyst Intern

Worked on data cleaning, analysis, and dashboard creation using Power BI, Python, Excel.

Android Developer Virtual Internship - Google

Gained foundational knowledge of Android app development and workflow.

Personal Interest :

- Learning new technologies
- Listening to Music
- Playing Cricket

Languages Known:

- English
- Tamil
- Hindi (Basic)
